

**REMARKS TO NOTICE OF NON-COMPLIANT AMENDMENT**

This Response is responsive to the Examiner's Notice of Non-Compliant Amendment mailed September 20, 2005. In the Notice, the Examiner notes that the amended claims submitted in the Applicant's September 8, 2005 Response to Restriction Requirement do not correspond to the original claims of record. Applicant erroneously used a previous version of the claim set before they had been rearranged and renumbered prior to submission of the application as filed which caused the confusion in the claim language of those claims amended in the Response to Restriction Requirement. The foregoing claims should now match those as filed in the original application.

Applicant's Remarks filed with the Response to Restriction Requirement filed on September 8, 2005 are herein incorporated by reference.

**CONCLUSION**

In view of the foregoing, it is believed that all claims now pending are in condition for allowance. A Notice of Allowance is earnestly solicited at the earliest possible date. If the Examiner believes that a telephone conference would be useful in moving the application forward to allowance, the Examiner is encouraged to contact the undersigned. If necessary, the Commissioner is hereby authorized to charge payment or credit any overpayment to Deposit Account No. 1928-14 for any additional fees required under 37 C.F.R. §§ 1.16 or 1.17, particularly extension of time fees.

Respectfully submitted,

Date: 9-29-05
